3. MY PROFILE

3.1 Professional Skills

Professional Title

Additional information :

.....

In order to qualify your current position, please define a product (eg : Motors), a job (eg : Design) and a technical skill (eg : Acoustics) as well as the associated level of expertise (eg : 2). You can associate more than one triplet product / job / technical skill to your current position. Please select what is the most applicable to your case.

Choose between the following products :

- Aeroplanes
- Battery
- Cells Engines
- Electrical Systems
- Electronical Components
- Engines
- Hardware
- Helicopters
- Landgears
- Launchers
- Materials
- Missiles
- Structures
- Telecommunication Networks
- Other Components

Choose between the following occupations :

- Management
- Process
- Resarch & Development
- Supports

Choose between the following technical skills :

- Aerodynamics
- Automatics
- Electromagnetics
- Electronics
- Energy
- Fiability
- Fluids Mechanics
- Guidance, Control
- Hyperfrequency
- Materials
- Mechanical / Electrical Architectures
- Navigation
- Optronics
- Propulsion
- Radar
- Signal / Image processing
- Simulation
- Structures
- Softwares
- Telecommunication
- Testing (ground / flight)
- Thermics

3.2 Technical Skills

Product :

Job :

Technical skill :

Level of Expertise :

3.3 Schools / Universities

You will have the possibility to indicate only two schools / universities on this registration form. However, you will be able to register additional school / university directly on our 3AF website.

School / University 1

School	
Education	
Additional information	
Year in which this education is expected to end	
Are you currently studying in this establishment ?	<input type="checkbox"/> Yes <input type="checkbox"/> No

School / University 2

School

Education

Additional information

Year in which this education is expected to end

Are you currently studying in this establishment ? Yes No

3.4 Decorations and Awards

Please indicate any of your decoration in full (ex. Ordre National du Mérite – Chevalier, 3AF Aeronautical Price, 3AF Graduates...).

Decoration

Decoration/Award

Grade

Year

Decoration 2

Decoration

Grade

Year
